JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

SEC. 2. Every room used as a bakery shall be at least 9 feet in height, measuring from the surface of finished floor to underside of ceiling. This section shall not apply to bakeries established before July, 1916, except when its application is deemed necessary by the board of health.

SEC. 3. Floors shall be of smooth cement or tile laid in cement, and when required by the board of health shall have a wooden floor, so laid and constructed as to be free from cracks, holes and interstices, and shall be saturated with linseed oil. All side walls and ceilings shall be of smooth plastered tile or metaled, as may be required by the board of health, and all such walls and ceilings shall be cleansed, painted or whitewashed as often as the board of health may deem necessary.

SEC. 4. All bakeries shall be provided with such windows, air shafts, ventilating hoods and pipes over ovens and ash pits, as the board of health may require.

SEC. 5. No cellar or basement of any building shall be used for a bake room except by special permit of the board of health.

SEC. 6. No bakery shall be located over, under or within 50 feet of any place or building where domestic animals are housed or kept, or where the process of rendering, glue making, or other foul smelling products are produced.

SEC. 7. No water-closet compartment shall have direct communication with bakery, storeroom, or salesroom, unless separated therefrom by means of a vestibule, properly lighted and ventilated.

SEC. 8. All doors, windows, and other openings shall be screened with properly constructed and fitted screens. All screen doors shall be provided with and kept closed by means of a self-closing device.

SEC. 9. Suitable metal, properly covered, water-tight receptacles for garbage and other waste shall be provided. Every such receptacle shall be emptied frequently and shall be cleansed after each emptying.

SEC. 10. No person having any infectious, contagious, or venereal disease shall be employed in any part of a bakery.

Garbage—Care and Collection. (Reg. Bd. of H., July 19, 1916.)

SECTION 1. Whenever and wherever in this regulation the word garbage occurs it shall be held to mean all accumulations of waste, animal and vegetable matter that attends the preparation of food, except liquids. The word person shall be held to include firms and corporations.

SEC. 2. Every owner of any dwelling, and every occupant or person in charge of a store or other place where garbage is made, kept, or stored for collection shall provide or cause to be provided for such dwelling, store, or other place a water-tight metal or other suitable sanitary receptacle provided with a tight-fitting cover and shall at all times be kept covered.

SEC. 3. No garbage receptacle shall be allowed to be overfilled, and all such receptacles shall be so placed and so covered as to exclude flies, dogs, cats, or other animals. The mixing of glass, cans, or other material with garbage is hereby prohibited.

SEC. 4. No person shall throw into any street, way, place, open lot, or private premises within the city of Lynn any garbage, offal, dead animals, or any other substances or material that may become a nuisance.

SEC. 5. No person, excepting city employees, shall collect, remove, or transport garbage, offal, or any other offensive or noxious substances or drive any vehicle, cart, or other conveyance, for such purpose through the streets, highways, or other ways within the city of Lynn, without first having obtained a permit from the board of health. Said permit shall be numbered and be valid for one year, unless revoked by the board of health.

SEC. 6. No vehicle conveying any such substance mentioned in section 5 shall be allowed to stand in or on any public street, place, or highway within the city of Lynn,

except during process of loading. Every vehicle and every receptacle used under a permit from the board of health shall be approved by said board or its agent, and shall have its permit number conspicuously displayed upon each side thereof. The numbers shall be plain figures and of a size approved by the board of health.

SEC. 7. Every vehicle or box used for conveying garbage through the city of Lynn shall be water-tight and provided with tight-fitting covers. Said covers shall be kept closed at all times, except during process of loading. The dripping or running of liquids from said boxes or vehicles on any street, way, or place within the city of Lynn is hereby prohibited.

NEW ORLEANS, LA.

Malaria—Made Notifiable. (Res. Bd. of H., Mar. 14, 1916.)

Resolved, That from and after this date malarial fever be included in the list of communicable diseases to be reported to the board of health of the city of New Orleans, and for the parish of Orleans, under the provisions of section 27 of ordinance No. 6022, A. S., as amended by ordinance 3029, C. S., and 532, N. C. S., and by resolutions of the board of health of the city of New Orleans, dated August 12, 1901, May 14, 1907, April 13, 1909, March 14, 1911, January 9, 1912, and January 25, 1912.

Ashes and Trash—Care and Collection. (Ord. 3082, Jan. 25, 1916.)

That section 7, ordinance No. 2514, commission council series, be amended and reenacted so as to read as follows, to wit:

SEC. 7. Ashes and trash shall be collected on the same days that garbage shall be collected, to wit, in the first garbage district on every day, except Sunday, and in the second garbage district on every Monday, Wednesday, Friday, and Saturday.

The owner, agent, or occupant of any premises in the city of New Orleans shall keep any ashes and trash originating on said premises separate from any garbage created thereon in a sound, substantial vessel or vessels, such as will prevent the contents thereof from being scattered by the action of wind or by the overturning of the vessel or vessels, and for the purpose of having the contents removed such vessel or vessels shall be placed on the sidewalk or alley in the front or in the rear of the premises on each of the days herein fixed for the collection of ashes and trash, before the hour of 6.45 a. m.: *Provided*, That not more than one barrel of ashes shall be so placed for removal from any one premises at any one time.

The word "trash," as used in this ordinance, shall be construed to mean tin cans, broken crockery, hardware, wooden matter, paper, sweepings, and the like.

Weeds—Growth or Accumulation of, Prohibited. (Ord. 3080, Jan. 25, 1916.)

SECTION 1. (1) The tenant or occupant of any leased or occupied premises, lot, or other area shall not permit weeds or grass over 2 feet in height to grow or stand on the premises, lot, or area leased or occupied by him.

(2) The owner of any premises, lot, or other area not leased or occupied by another person shall not permit weeds or grass over 2 feet in height to grow or stand on such premises, lot, or other area owned by him.

(3) The tenant or occupant of any leased or occupied premises, lot, or other area shall not permit weeds or grass over 1 foot in height to grow or stand on the sidewalk or banquette abutting the premises, lot, or other area leased or occupied by him.

(4) The owner of any premises, lot, or other area not leased or occupied by another person shall not permit weeds or grass over 1 foot in height to grow or stand on the sidewalk or banquette abutting such premises, lot, or area owned by him.

(5) A firm or corporation having franchise rights or privileges on the streets shall not permit weeds or grass over 1 foot in height to grow or stand on any street or area,
